Listening Posts

The Board of Education and its administration value input from the public and an opportunity to learn from its constituents. For this reason, the Board of Education has established a **Listening Post** session prior to its regularly scheduled meeting once a month. We welcome the opportunity to listen to issues and ideas that are important to our community in a less formal manner. Listening Posts are not intended to be a time for the Board to enter into dialogue. They are intended to be a time for the Board to listen and learn from the community. It is our policy to take no action on any items until we have taken time to gather adequate information and respond as a full board. Issues or ideas raised during a Listening Post may be added to future agendas or addressed by administrative staff as appropriate. Please understand that a lack of dialogue or action on your input during the Listening Post does not imply a lack of interest in what you have to say, as the Board needs time to process the information. Listening posts are open to community members, parents, staff, and students.

Listening Posts will be hosted by a board member, the superintendent, and the board secretary.

Puestos de Comunicación

La Mesa Directiva y su administración valoran la opinión del público y la oportunidad de conocer a sus constituyentes. Por esta razón, la Mesa Directiva ha establecido una sesión de Puestos de Comunicación a llevarse a cabo antes de una de sus reuniones regulares cada mes. Damos la bienvenida a la oportunidad de escuchar temas e ideas que son de importancia para nuestra comunidad de una manera menos formal. Los Puestos de Comunicación no tienen el propósito de ser un momento para empezar diálogo con la Mesa Directiva; más bien, tienen el propósito de fijar un momento para que la Directiva escuche y conozca más de la comunidad. Es parte del reglamento no tomar acción sobre ningún asunto hasta que hayamos dedicado el tiempo para obtener información adecuada y así poder responder como Mesa Directiva. Los temas o ideas que surjan durante un puesto de comunicación podrán ser agregados a agendas futuras o atendidos por personal administrativo según sea apropiado. Por favor entiendan que la falta de diálogo o acción de su opinión durante un puesto de comunicación no implica la falta de interés en lo que usted tiene que decir ya que la Mesa Directiva necesita tiempo para procesar la información. Los puestos de comunicación quedan abiertos a miembros de la comunidad, padres de familia, personal escolar, y estudiantes. Los Puestos de Comunicación serán organizados por uno de los miembros de la Mesa Directiva, la superintendente, y el o la secretario(a) de la Mesa Directiva.
