Dear School Board and Superintendent Guardipee-Hall;

The students continue to keep busy at Glendale and Big Sky Colony. They made a lot of progress this past month. The students and teacher have made a great adjustment being back in the regular classroom setting. All students had near perfect attendance for the month of April. Glendale completed the state science assessment for 5th and 8th graders and will complete the reading and math parts of SBAC test May 3rd through 6th. Big Sky completed the state science assessment for 5th grades. SBAC testing at Big Sky will begin May 3rd through May 6th during this time any science assessment that has not been completed will be made up. Mothers Day is fast approaching, as well as 8th grade graduation. 8th grade graduation will be Wednesday May 26th. Glendale graduation will be from 9 to 9:30 and will follow in the dining area. Big Sky graduation will start at 10:15 to 10:45 with a quick break before lunch and cake being served after lunch. Both schools want to have an end of the year BBQ plans for this are TBD.

Thank You,
Mr. Black, Principal
