ACTION

TITLE: Consider Continued Parents as Teachers Partnership with United Way of Fort Smith

DATE: April 22, 2019

RESPONSIBLE ADMINISTRATOR: Sarah Biggs
Supervisor of Early Child Education

BACKGROUND/CONSIDERATIONS:

Fort Smith Public Schools has maintained a partnership with United Way of Fort Smith for many years. As a recognized agency of United Way of Fort Smith, the Parents as Teachers program must receive school board approval to receive grant funds in support of the Parents as Teachers program. This year's allocation is \$35,000.00.

RECOMMENDATION:

The administration recommends the board accept the allocation for \$35,000.00 to support the Parents as Teachers program during the 2019-2020 school year.

If the Board agrees, the motion would read:

Move to accept the allocation for \$35,000.00 to support the Parents as Teachers program during the 2019-2020 school year.
