Principal's General Narrative:

We have one more six-week period before the end of the school year. The Tigers and Tigerettes continue to represent Brackett ISD with great dedication and pride! The athletic teams continue to do well. Recently, our track students competed at the District level and several students advanced to the Area competition. Five of our boys and one girl are also advancing to Golf Regionals. The tennis team will be competing at Regionals in Corpus Christi! Fine Arts students have also been doing very well. The Tiger Band went to compete at the UIL concert band competition and came back with a Sweepstakes trophy. Our One Act Play team also advanced to Area. They keep getting better and better every day! Our kids keep making history! Our students also represented Brackett ISD very well at the last Academic UIL meet. We had several students in first place in different categories. They won first place team in Number Sense and Social Studies. 9 students will be traveling to the Regional Academic UIL competition. April will be a busy month with plenty of competitions and state testing. State assessments in math, science, and social studies will be administered in the next three weeks. We are confident our students will do well!
