RE: Grace Point Church facility

Grace Point Church is requesting the renewal of our contract for use of Jordan Elementary School for our regular Sunday worship gatherings. Our request is for use of the facility, particularly the gym, cafeteria, and two classrooms. We are requesting use of the facility from 8:00AM-12:00PM weekly.

At this time, we are actively seeking alternate meeting locations, but at this time we have been unable to find a facility that is financially feasible for us at this time.

Please note that our mailing address has changed to:

9202 Dublin Ave
Odessa, TX 79765

Thank you for your consideration of this request and we look forward to another year of difference making from the campus of Jordan Elementary.

Respectfully,

Malcolm Tyree,
Lead Minister
