## Character Education Outstanding Student of the Month

The Keller ISD Community of Character program is structured to identify one character trait per month and integrate the character traits into curriculum through activities in individual classrooms to school-wide events.

The Keller ISD Community of Character Student of the Month is Max Cohen, a twelfth-grader from Keller High School. He is being recognized for his incredible positive attitude he has displayed over the last several years.

Max has elected to be a regular attendee at meetings of the Board of Trustees. He has been a willing participant and taken an active interest in the process of running our school district, and on occasion, he has addressed the board on behalf of the student body. Max has graduated from KHS and will carry his positive attitude with him to college in the fall.
