Item Name: DISCUSSION OF RFP #06-2023SE DISTRICTWIDE STAFF DEVELOPMENT SERVICES AND MATERIALS (SUPPLEMENTAL)

Item Summary: The purpose of RFP #06-2023SE Districtwide Staff Development Services and Materials is to add additional vendors. RFP #06-2023SE is a supplemental award to RFP #11-2021RL and RFP #06-2020LN. This type of award is beneficial to the District as it allows campuses and departments a variety of vendors to select from, while ensuring that the District is compliant with purchasing regulations according to TEC 44.031 and EDGAR.

This solicitation requested that vendors supply credentials, high-quality professional content details, evaluation tools, TEKS &/or Industry standard documents and pricing specific to Lamar CISD. In addition, vendors provided their capability of multi-platform delivery options (face-to-face, online, etc.). Pricing specific to Lamar CISD provides benefits for budgeting and overall planning for staff development services and related materials.

This proposal will be awarded as a 3-year term contract with two automatic one-year renewal options. Contract terms may include a District election to add formal subsequent proposals. Either party may provide a 30-day advance written notice of intent to cancel prior to the annual termination.

Recommendation: Administration recommends that the Board of Trustees consider approval of additional vendors which submitted proposals.
