POSTPONEMENT OF SOCIAL STUDIES CURRICULUM

ACTION REQUIRED

BACKGROUND OR SUMMARY

We are requesting the school board's approval to postpone the adoption of the K-12 social studies curriculum due to the current focus and resource commitment required for the health curriculum adoption process. This temporary delay is necessary to ensure both adoptions receive the attention and stakeholder input they require. By delaying our social studies adoption, we will ensure there is sufficient time to review and select the best and most appropriate high quality instructional materials for our students.

Board approval of this postponement will allow us to remain in compliance with Division 22 Standards.

ACTION REQUESTED:

Recommend Board approval of the postponement of the adoption of the K-12 social studies curriculum.

MOTION REQUESTED:

"I move to approve the postponement of the adoption of the K-12 social studies curriculum."
