RE: Purchases Equal to or Exceeding \$50,000

Board Policy CH (Local) states that any single, budgeted purchase of goods or services at a cost of \$50,000 or more shall require Board approval before a transaction may take place, unless the purchase falls into a categorical exemption as reflected in the policy.

A categorical exemption shall be defined as:

- Board approved contract;
- Continuing or periodic purchases under a board-approved contract or bid;
- Expenditures for utilities including electricity, natural gas, telecommunications, water and wastewater;
- Expenditures for impact and permitting fees imposed by municipalities and county governments;
- Payments to the County Appraisal District.
- Expenditures for vehicle fuels procured through board-approved purchasing cooperatives;
- Expenditures for food service products procured through board-approved purchasing cooperatives.

The expenditures indicated on the attached document are not covered under the categorical exceptions as contained in Board policy.

Once a recommendation to make the purchase was established, the prospective vendor was requested to complete a Texas Ethics Commission Form 1295. This requirement became effective on January 1, 2016 and is related to the passage of House Bill 1295 which is now incorporated into the Texas Government Code 2252.908. The form is attached and identifies all interested parties associated with the vendor as it relates to this procurement. Upon approval by the Board of Trustees and issuance of a district purchase order, the form will be posted on the Texas Ethics Commission's website as required by statute.

All board members, employees and agents involved in the planning, recommending, selecting or contracting of a vendor should be reminded of the conflict of interest reporting requirements as mandated in Chapter 176 of the Local Government Code. A copy of Form CIS has been included as an additional attachment. In the event that a conflict exists, the form should be completed and submitted to the Purchasing Department not later than the 7th day after the conflict is identified.
