RE: Establishing Combined Polling Places

2024 Elections Omnibus Bill Article 2, Section 44, School districts only need to pass a resolution establishing polling places if there is a change. When a change occurs, it must be passed by December 31 for the upcoming year.

Rice County reviewed the resolution from Faribault Public Schools and found that Faribault did not split out Northfield Twp into precinct 1 and precinct 2 in the resolution adopted in 2024. Rice County accepted the resolution as is and asked if we could change the resolution to split Northfield Twp into precinct 1 and precinct 2.
