Re: High School Principal Report January 2021

Greetings from HHS!

This semester we as a staff have committed to doing everything we can to help our students do great things academically, socially and on their spring assessments. Those assessments include the ACT, SAT, and ISAT. The information gathered from these assessments helps guide our instruction and set our lessons to best meet the needs of our students. This semester we are utilizing the ISAT interim block assessments as a way to help our students better prepare for the upcoming Spring ISAT testing for Sophomores and Juniors in April. We will also continue to prepare students for their ACT and SAT assessments they may take this spring as well. As we continue to work with PBIS in our school, we continue to focus on Respect, Responsibility, Safety, Positive Attitudes, and Grit. This month we will be focusing on Responsibility, both on a personal level as well as school wide. Our hope, as it has been each month, is to continue to build up our school culture as we work with students in character building and becoming well rounded productive citizens. The academic skills along with the life skills we address on a daily basis are what we feel will help our students in reaching their dreams. Thank you for your continued support of Homedale High School!

Spring Enrollment-
