

IAQ Funds Special Meeting

Wednesday, March 4, 2026

What are IAQ Funds

Indoor Air Quality Bonds are a board approved money that can only be used to improve a schools indoor air quality. We used the funds to improve our dehumidification throughout the entire building.

**\$1.8 million
Surplus**

from our \$12 million
dollar IAQ bond

In order to use these funds for building projects we need to have voter approval.
