**EE-KAH-KI-MAHT** – Earl Tail, Cheri, Ed Running Rabbit & Shaun Still Smoking

We at the Ee-Kah-Ki-Maht program provide students with extracurricular activities. Our hours are from Monday - Thursday, 6:00 PM - 10:00 PM. We are located at the Browning Elementary Gymnasium and Browning High School. We provide a safe and positive environment for the students. Almost every night the students will play basketball, other nights we try and offer volleyball. We also do random competitions for them to compete for gift cards or Ee-Kah-Ki-Maht active sportswear. We never leave any student without a gift.

We also take them to activities outside of the gym. For instance, Tuesday November 21st, we will be taking some of the students bowling in Cut Bank, Montana. We try to offer events that some students might not be able to attend due to circumstances at home.

If you have any questions or concerns, please feel free to contact us.

Thank you.

We start our session each afternoon with a snack and some light chit chat to relax after school. We then move on to reading we all read together for a chapter (we started a chapter book and read a chapter each day we have tutoring). We then move on to math and work on the different skills each student needs. On Thursday we have our stem day. We work on a project each week. We had a family literacy night 11/16/23 our students played bingo with parents and math

sheets to do a bean bag toss to win prizes. We will be inviting parents once a month to do different activities with their children.

At the Browning Middle School we offer tutoring and homework help every Monday and Tuesday along with STEM/Crafts on Thursdays. Once a month we offer family nights, in which families are invited in to participate in an activity with their child. This Month we hosted a Thanksgiving BINGO, we had 26 students in attendance with 6 families, with the winners taking home pies and a Thanksgiving dinner. On average we serve 10-15 students with more wanting to sign up each day. We have some fun activities planned for the month of December and are looking forward to our family night.
