PRINCIPAL, MOLLY PURL

August 14, 2025

I move that this Board make a finding that good cause exists why Huckabay ISD cannot comply with the requirements of H.B. 3 and Texas Education Code Section 37.0814 to have at least one armed security officer on each campus due to lack of funding and lack of personnel who qualify to serve in such a role; I further move to approve an alternative standard with which the District is able to comply as discussed in closed session.
