

## June 2025 Board Report

TO: NBCUSD #16 Board of Education, Mrs. Jill Larson, Superintendent

From: Hattie Llewellyn, High School Principal

### Summer Update

- I will have the 25.26 NBHS Student Handbook ready for adoption in July. After sending an invite to all parents to attend the handbook meeting to provide input, I had one parent come to the meeting. I did have 3 parents provide feedback via email for changes that they would like to see.
- We will not have our Pretzel Success Day for the incoming 9th grade students. We will go through the orientation and program materials the first week of school during Advisory.

### Pretzel Positives

#### NBHS Shout Outs

- Mr. Binkley - He has done a phenomenal job in his new role - the Pretzel Athletics Website looks amazing - and the announcements feature is a great addition to keep everyone informed and up to date! He has covered for camps and open gyms, and taken students to camps - he has gone above and beyond, and I am so glad to have him back!
- Safe from Severe Weather - shout out to all staff that were here the day we had severe weather. Coach Gum was hosting his baseball camp, and the camp kids and his volunteer assistants were troopers through the whole situation. Shout out to Mrs. Larson for working with the local emergency services and keeping us apprised of ongoing alerts!
- Coach Q had some of the football boys in the new weight room and it was great seeing and hearing their reactions as they looked at the flooring and made plans for the walls - posting up new leaderboards and other things they want to do with the space.

Professional Development: I attended the IASA Risk Assessment Workshop on June 9th.
