## **Board Agenda Item** **Request**

**AGENDA ITEM:** 2026-2027 Proposed Garwood and Twin Lakes Zone Changes and Overview of other Zones

**PURPOSE:** Discussion and Feedback from the Board

**MEETING DATE:** January 21, 2026

**PREPARED BY:** Rusty Taylor and Jake Massey

---

### **INFORMATIONAL SUMMARY:**

Through a subcommittee of the LRPC, the team developed several options after reviewing the functional capacity of each elementary school. The subcommittee identified Garwood Elementary, along with Twin Lakes Elementary, as schools that could benefit from a potential zone change. The subcommittee presented its findings to the LRPC, and the committee agreed that it would be appropriate to bring this information forward to the Trustees for feedback on the possible zone change.

We will present functional capacity data for all elementary schools and explain why, at this time, a potential zone change involving Garwood and Twin Lakes should be considered by the board.

### **FINANCIAL CONSIDERATIONS:**

Consider the proposed zone changes and provide feedback to the administrative team.
