Ed Careers Attends MIAEYC Conference

CTE Hits DeVos Place! Our Educational Careers class went "to the street"—Sesame Street, that is! During their field trip to the MIAEYC Conference at DeVos Place, students were honored to hear from keynote speaker Sonia Manzano, the actress behind the beloved character Maria. Students explored professional exhibits, attended specialized training sessions, and connected with leaders in the field of early childhood education. This field trip gave our students a front-row seat to the dedication and expertise required to be a top-tier educator in Michigan.
