

GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10

DATE OF MEETING: **October 25, 2016**

TITLE: **Approval of School Facilities Board (SFB) Supplemental Grant for:
Coronado K-8 Roof Replacement**

BACKGROUND:

The existing roofing on the 2 story classroom wing at Coronado K-8 School has failed. Due to the condition of the roof, the District's insurance agency has denied our claim for interior water damage repair until the roofing has been replaced.

A Building Renewal Grant was submitted to the School Facilities Board (SFB) requesting funding to replace the roof in the amount of \$173,000. This was declined and the District was required to submit an SFB Grant request for engineering and bid preparation fees only. An SFB Grant request for these services in the amount of \$9,983 was submitted on April 29, 2016. This grant request was approved at the June 29, 2016 SFB meeting.

In addition, the SFB approved the bid amounts previously approved by the Amphitheater Public Schools Governing Board and has issued a supplemental grant for this SFB project #100210115-9999-017BRG in the amount of \$227,896 at the October 5, 2016 SFB meeting. The combined total for this grant is now \$237,879. Since the Terms and Conditions for this grant were previously executed, another set will not be required for the additional funds. The district is also not required to sign an amendment at this time.

RECOMMENDATION:

It is the recommendation of the Administration that the Governing Board acknowledge acceptance of this amended grant amount.
