

District Goal

All students will show continuous progress toward their personal learning goals, developed in collaboration with teachers and parents, and will be prepared for post-secondary education and career success.

Measurement Guiding Principles

1. Measure what WE want to be as defined by the district goal
 - College-ready
 - Career-ready
 - Continuous personal learning progress
 - Collaboration between students, parents, and teachers
 - Equitable outcomes
2. No new tools (or staff) required to deliver the measurements – we can get started now
3. Focus district energy
4. Reflect how we support students

Proposed Beaverton School District Annual Strategic Plan Standards

The Board will review progress on these Strategic Plan Standards annually in August and then recommend policy changes and develop Board and Superintendent goals based on this information.

Measurement	Provides feedback on
% students completing Oregon University System minimum entrance requirements (15 specified college-prep courses with C or better)	College-ready
% students earning nine or more college-level credits	College-ready
% students completing four credits or more of high-school-level career and technical education courses with a C or better (includes arts, automotive, health services, hospitality, engineering, and business courses)	Career-ready
% students participating in at least one job, internship, apprenticeship, job-shadow, or service learning experience while in high school	Career-ready
% students recording learning goals; % students reporting on track to achieve those goals	Continuous personal learning progress
% families reporting that they feel informed and valued as active partners in their child's education (broken out by school level)	Collaboration between students, teachers, and parents

Note: disaggregation by subgroup for all measures will be reported. Subgroups include gender, economic status, Special Ed, ESL, and ethnicity.

Proposed Beaverton School District Strategic Plan Annual Reporting Schedule

District staff will report yearly progress against the Strategic Plan at Board Work Sessions as indicated below. Each report will include:

1. Relevant measurements, including but not limited to those listed below
2. Analysis of data and supporting programs or investments
3. Recommended action plan developed based on the analysis

Measurements will be broken out by subgroup including gender, economic status, Special Ed, ESL, LGBT, and ethnicity. In addition, measurements by school will be presented when available.

The Board also expects follow-up reporting at subsequent Board Business Meetings.

Reporting Category	Reporting Quarter
Academic Achievement % students graduating in four years % students graduating in five years % graduates who completed Pre-Calculus, or AP/IB-level Math with a C or better % graduates who completed AP/IB-level Science with a C or better	Winter
Academic Growth % students with a typical year's growth in academic results in Reading, Math, English, and Science (grades 1-11) % students with more than a typical year's growth in academic results in Reading, Math, English, and Science (grades 1-11) % students on target to have college- and career-ready test results in Reading, Math, English, and Science (grades 3, 5, 8, 11) % students receiving less than a C, for middle and high schools	Fall
Quality Staff % teachers achieving Professional Growth Goals % teachers achieving Student Growth Goals % teachers and staff employed by Beaverton School District 5+ years Number of teachers and staff hired Staff and administration diversity mirrors student diversity % teachers reporting sufficient time to collaborate % teachers reporting improved practice based on professional development % teachers reporting improved practice based on evaluation system	Winter

<p>% teachers reporting improved practice based on collaboration efforts</p> <p>% teachers and staff reporting that they contribute to decision-making</p> <p>% teachers reporting that they effectively provide differentiated instruction</p>	
<p>Student Experience</p> <p>% students reporting that at least one adult in school really cares about them</p> <p>% students who report that there is an adult at school who helps with decision-making</p> <p>% students who report that they receive personal feedback to improve their school performance</p> <p>% students who report they receive challenging coursework</p> <p>Number of minutes of arts instruction provided</p> <p>% students missing ten or more school days</p> <p>% students participating in club, leadership, or another after-school activity</p>	Fall
<p>Engagement</p> <p>% of families who report they are active participants in the life of the school</p> <p>% of families who report they feel well-informed about what their students are learning and their progress</p> <p>Value of volunteer and other contributions to Beaverton schools</p> <p>Summary of each school's Community Partnership Team plans and progress</p>	Spring
<p>Volunteerism</p> <p>Number of volunteers with children in the Beaverton schools</p> <p>Number of volunteers without children attending Beaverton schools</p> <p>Total volunteer hours for volunteers with children attending Beaverton schools</p> <p>Total volunteer hours for volunteers with no children currently attending Beaverton schools</p> <p>% volunteers who report they have made a positive contribution</p>	Fall
<p>Discipline</p> <p>Number of students missing school as a result of discipline</p>	Summer
<p>Safety and Inclusion</p> <p>% students reporting their school has a safe, inclusive, and respectful climate</p> <p>% teachers and staff reporting their school has a safe, inclusive, and respectful climate</p> <p>% students reporting not being bullied</p>	Summer

Information Technology Report of system security, availability, and functionality % students reporting access to technology to support their learning % teachers reporting access to technology to support their instruction	Winter
Financial	Winter
Operations Sustainability Maintenance needs Transportation	Spring
Wellness Nutrition Services % students participating in state-required minutes of PE class Number of minutes recess time % students participating in school-sponsored athletics % students participating in non-school-sponsored athletics	Summer
