Background Information

Safe Routes to School Boost grants are intended to help boost Safe Routes to school. Through these grant awards, the Minnesota Department of Transportation (MnDOT) will support communities with existing Safe Routes to School (SRTS) plans, or other comprehensive SRTS approaches, in advancing non-infrastructure strategies for schools that support making it safe, easy and fun for students to walk and bicycle to school.

Recommendation

I move to approve the SRTS Safe Routes to School Boost Resolution as presented.
