Overnight Trip
Northome School STAR Camp

We will have a team of six 6th grade students who will be selected as the Northome School STAR (Students Teaching Attitudes of Respect) team. Students are currently in the process of applying and then we will select our team. Peacemaker Resources puts on a 2-day training at Bemidji State University from 10 AM Thursday November 3rd through 1 PM Thursday November 14th. I will drive the students in a school vehicle to Bemidji and be the chaperone for the group. I will not require a sub or any additional compensation.

Christine Lundin
