RE: 2024-2025 Final Calendar Approval

BACKGROUND

Each spring the Board has to approve the final calendar for the current school year. This approval takes into consideration any use of emergency days.

SUMMARY

While we did utilize one e-Learning Day on Wednesday, February 12, 2025, Benjamin School District 25 never closed and, therefore, did not use any emergency days this school year. The Board of Education can verify that the five original emergency days can be removed from the calendar. The last day of student attendance for the 2024-2025 school year will remain Friday, May 30, 2025.

RECOMMENDATION(S)

I recommend that the Board approve the final calendar, indicating no changes, and direct the Superintendent to verify this to the Illinois State Board of Education.
