

Presented for Mid-Year Review

Lyon County School District Superintendent Evaluation

EVALUATION OVERVIEW This evaluation model offers a two-part guide for evaluating the Superintendent:

Part I is based on standards and professional practices.

Part II is the final performance summary sheet. It provides a final rating on the Superintendent's performance standards.

THE EVALUATION MODEL AND TIMELINE MODEL: The Board of Trustees should participate in the process from start to finish, and the Board Chair is responsible for expediting the evaluation process.

Per LCSD Board Policy BCD, The Superintendent shall be given a formal evaluation by the Board in a regularly agendized, open meeting no less than one time per each school year that they are employed by the School Board (See NRS 241.031). The Board may, at their discretion, informally evaluate the Superintendent at any time during the school year in order to develop the formal year-end evaluation. Informal evaluations will not be used by the Board in any other manner.

The Board and Superintendent should agree on the evaluation timeline and process. Collectively, the Board and Superintendent review the standards of performance, as well as identify the annual Superintendent goals based on local priorities of the District.

It is recommended that the Superintendent provide the feedback survey completed by cabinet and leadership as evidence to the Board.

A designee collects all the individual Board member evaluations and compiles the results and comments.

A regular public meeting is convened for the Board to discuss the evaluation results and provide feedback regarding performance ratings and recommendations. The Board shall vote on the final overall rating for the Superintendent evaluation.

CONSIDER THESE NORMS WHEN CONDUCTING THE EVALUATION:

- Give each review the time and attention it deserves and provide specific evidence
- Maintain a respectful, professional process
- Focus on standards and outcomes (not personality)
- Consider the Superintendent feedback survey completed by cabinet and leadership
- Use multiple evidence-based documents when assessing performance
- Identify strengths in performance upon which to build
- Address ratings that need improvement with tact and constructive criticism
- Provide recommendations for specific corrective action
