Subject: Consider Approval of TEKS Certification

Presented for: Action X Report Only

Background Information:

In accordance with Texas Education Code §31.004, local education agencies (LEAs) are required to certify annually to the State Board of Education (SBOE) and the commissioner that students have access to instructional materials covering all Texas Essential Knowledge and Skills (TEKS) for all required subjects, except physical education.

Additionally, in accordance with the Texas Administrative Code 19 TAC §66.105, LEAs are required to certify that they protect against access to obscene or harmful content in compliance with the requirements for certification under the Children's Protection Act, 47 USC §254(h)(5)(B) and (C). The TEKS Certification 2026-2027 Survey includes a section to allow LEAs to certify they meet this requirement.

Recommendation:

Approve the 2026-2027 TEKS Certification as presented.
