AGENDA ITEM: Consider Resolution to Support the Allocation of \$250 per Teacher for Classroom Resources

The GISD Board recognizes the need for individualized support for each classroom teacher. Materials and resources for students are often provided by the teacher's themselves. In support of this, there will be \$250 available using Challenge Office Products, at the discretion of each full-time classroom teacher.

RECOMMENDATION: I move the GISD Board adopt the Resolution allocating \$250 per teacher for classroom resources.
