Description: The West Campus High School Cougarettes hold the incredible honor of being named Grand Champions this year from the Showtime International Dance Competition held back on February 11th. These young ladies went into their first competition as a group of freshmen and sophomores with little to no dance experience and exceeded all expectations. The Fine Arts Dance program is only in its beginning stages at West Campus and has many promises ahead. The following accomplishments earned were:

-Best in Pom Routine

-Best in Lyrical Routine

-Best in Novelty Routine

-Judges Award scoring 92 and higher in all routines

-Sweepstakes

-Overall Grand Champion in their Division

Dance Director Angelica Montanez along with the community are incredibly proud of these young performers and cannot wait to see what the future holds for all of them!
