News from Mr. Valenzuela

So much work to do, so little time:

The spring at Evergreen is full of fun activities, field trips and.....more school work! It seems like this time of year our students really begin to pick up academic momentum, just in time for summer. We pack a lot into the last couple of months, and it is very important to remain dedicated to good attendance. In addition to being here for instruction, many of our activities are tied to good behavior as well as attendance.

Small change in plans:

Last month I announced that my replacement was going to be Jeff Weiss. Unfortunately, Mr. Weiss has accepted another position for next year in another school district and will not be the principal at Evergreen next year. We have to say goodbye before we even get to know him!

FOURTH GRADE HERITAGE DAY

Fourth grade visited the Kerbyville Museum for our annual Heritage Day. Students panned for gold, made pioneer toys, visited the Pit House, toured the museum and the old house, and learned about what school was like in the 1800's. Thank you to all parents and community members that volunteered that day!
