

MHS School Board Report

May 2025

Attendance

Attendance is up to around 92.9% for our students for the month of March. Our Friday attendance is up to 89.5%.

Our current enrollment is at 99 students

Issues Within the High School

Staff:

We continue to fight illness that goes through our staff and then recirculates. We have been completing para and support staff evaluations through the last couple weeks and having some great conversations with each one.

Students:

Many of our students struggle to stay engaged as the weather continues to get better weather outside. We have had many students out sick and there is a definite cycle that we will most likely break until summer break. We have had some great presentations on Fridays to include the quartet, Kelp farming, and the tsunami and safety preparedness presentation. We had public health here last week to include the video for Brie's law.

We had Prom and Sr. Dinner last week and it was a great success!

Admin:

Continue to research possible fee's and considerations for our iGrad students and how we can encourage them to return to our building. Getting ready for Graduation!!!!

Celebrations-

Graduation!!!!!!!

Sr. Lunches

Sr, Dinner & Prom
