

COMMUNICATION WITH THE PUBLIC

The School Board appreciates the importance of community involvement and therefore shall strive to keep the community informed of developments within the school system in timely and understandable ways.

The Superintendent or designee shall use all available means of communication to keep the public aware of the goals, programs, achievements and needs of our schools. Members of the community shall have opportunities to become involved in the schools and to express their interests and concerns.

The district shall seek to communicate in ways that accommodate the needs of all members of the public, including the visually or hearing impaired, those who do not understand English, and those who do not read.
