RE: Community Schools Update

Community Schools Winter Basketball and Pink Ladies Cheer program

The response was great there were over 400 people involved in our program. There was a total of 36 teams in 3 divisions. The teams were from Mammoth, San Manuel, Oracle, Hayden, and Kearny. Games were played in 4 of the 5 towns. Players and coaches were from Mammoth, San Manuel, Oracle, Redington, Eagle Crest, Dudleyville, Winkelman, Hayden, and Kearny. The 6th Annual March Madness Tournament (held in the Mammoth Elementary gym this year) was an exciting way to conclude our season and a huge success.

Blood Drive

There was a blood drive Thursday March 29th in the District Auditorium. This drive was geared towards the students. The NHS had a very active part this time. It was great to see the students of SMHS participate.

Other happenings...

In an effort to help the community, Community Schools participated in several trainings including seminars for the 21st Century program. Among other things, we are currently involved in planning for the upcoming swim seasons in both Mammoth and San Manuel, Sea Lions swim team registrations, San Manuel softball, and San Manuel Little League preparations. There have also been various uses of school facilities for such things as SMJH student of the Month, Pre-K screenings, and Head Start registrations. Also the Arizona Desert Riders Association sponsored a race in the desert behind GMS. Just under 200 riders participated from all over the Southwest.

If you have any questions, or need additional information, please do not hesitate to let me know.

Thank you,

Larry Ramirez
Community Schools Director
