

Teaching, Learning & Relevance

Current Work

- **District Data Dig - August 22nd and 23rd**
 - Staff analyzed current Math, ELA, Science, and Social Studies data. Staff came up with action statements and goals for the year for continuous improvement of student growth and achievement in all of these core areas
 - Staff also analyzed behavioral and SAEBRS data to develop strategies and action steps to guide our Hatchet Pride teamwork and the TMS Scorecard in the Whole Student Pillar
- **Strategic Planning**
 - Continued work on closing out the [2022-23 TMS Scorecard](#) and finalizing the 2023-24 TMS scorecard

Whole Student

Current Work

- **ACP Opportunities**
 - Mrs. Cerny has been meeting with grade level teams to get their feedback and plan ACP field trip opportunities for the fall. More information will be coming in October
- **WEB Program**
 - Thanks to all of our student and staff WEB leaders that made our 6th grade orientation day a huge success
- **[Start With Hello Week](#)**
 - A week to build connection, community, and belonging within TMS.
- **Hatchet Pride Day**
 - We used Tuesday, September 5th, to talk about Hatchet Pride and what it means to be Respectful, Responsible, and Safe in different settings around the building
 - We used various staff to present these items to each grade level in the building

Communication & Community Engagement

Current Work

- **[September Newsletter](#)**

 - Meeting to be set for the end of the month to begin planning for the Veteran’s Day assembly on Friday, November 10th.

District Workforce

Current Work

- **Staff Collaboration**
 - We were able to meet with 6-8 departments during inservice. Mark was able to join and be part of these teams. We have set-up quarterly meetings again this year for each department along with Mark to develop our vertical plan of work in the middle school.
- **TMS Building Leadership team**
 - The BLT met during the Data Dig and gave input for the areas of focus for the middle school for the 2023-24 school year. These areas will include:
 - Rollout of the LifeSkills (CPR) Rubric
 - We continue to have grade level involvement, staff “norming” on this rubric, strategic instruction to students throughout the beginning of the year on the strategies and skills in this rubric, and development of both a teacher and student scoring system
 - Determine ways to increase parental participation and engagement in parent teacher conferences
 - Implementation of student led conferences
 - Increase student and connection and engagement with the middle school
 - Changes to Student connection survey that was implemented last year
 - The BLT will meet the last Wednesday of each month
