This Memorandum of Understanding serves as the intent and commitment of Badger High School (Lake Geneva, WI) to join the Carl Perkins Consortium, in which Waterford Union High School (Waterford, WI) will serve as the fiscal agent.

By joining the consortium for the Carl Perkins Grant, Badger High School understands the following:

- Waterford Union High School is the fiscal agent for the Carl Perkins Grant Consortium and is responsible for managing funds, ensuring compliance, and submitting all required documentation to DPI.
- A representative from Badger High School will serve as the Consortium CTEC as required for the grant. Badger High School will complete all required forms and documentation in WISEgrants, including, but not limited to, fund management, verification, and assurance forms.
- Badger High School will appoint one lead contact to serve as the district liaison. This person will attend consortium meetings and provide all necessary data, forms, and information to support the grant application and compliance requirements.
- The appointed lead contact person will work with the fiscal agent's lead contact to complete the grant application, Comprehensive Local Needs Assessment (CLNA), and any other required documentation.
- Badger High School will comply with all DPI reporting requirements, specifically those related to CTE and the Carl Perkins Grant, including student data, program outcomes, and fiscal reporting.
- Badger High School commits to being a member district of the consortium effective now through the 2027-2028 school year.

We look forward to working together as a consortium on this grant to provide and enhance career and technical education for all students.
