Title: Director of Student Activities

Subject: **Create BMS Golf Program and 2 Coach Positions**

Description: Request to add Golf and 2 coach positions to the Middle School athletic programs.

Justification (District Goals): The athletic department would like to add the following athletic program to Browning Middle School Golf and 2 golf coach positions. Currently we have a golf program at Browning High School.

Currently the golf program does not have a feeder program at the Middle School that helps to continue to develop male and female athletes that play golf and as a result our high school program is behind in fundamentals and techniques when teaching and coaching at that level. The middle school golf program would have 2 coaches with the coaching duties being assigned for both coaches to teach the swing, stance, grip, rules of golf, course management, putting, chipping, pitching, Adding a softball program to the middle school would offer boys and girls one more sport. Currently we offer the following for boys at the middle school: Football, Basketball, Cross Country, Track and Wrestling, for girls we offer the following Basketball, Cross Country, Volleyball, Softball and Track. The budget for golf at the middle school for the first year would be broken down in the following order:
