Board Meeting Date: 14-Nov-11

Agenda #                     

Staff/Administrator: NVHS

Superintendent: Dan Huber-Kantola

Type of Item: ☐ Informational ☒ Action

**Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?**

North Valley High School Leadership students have asked the district to consider alternative options for the placement of the exercise equipment currently located in front of the school. They will have representatives at the Board meeting to discuss possible alternatives. The two locations proposed by the students were: 1. a different spot at North Valley possibly around the old track if it would work space wise and 2. Around the track at Fleming Middle School.

**List the advantages of your proposal:**

The equipment would be used more extensively than it currently is used. Leadership students have expressed a concern that it is embarrassing for high school age students to use the equipment in the current location.

**List possible disadvantages of your proposal:**

There would be some potential expense in moving the equipment if donations and volunteer labor cannot cover all of the expense of moving the equipment.

**List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?**
