School Board Meeting Agenda Item

Topic: LED Lighting
Contact(s):
Presenter(s): Kevin Johnson, Jackie Paradis

Nature of Action Requested

Board Action
Board Information or Report

X

Background Information

On March 21, the board reviewed a proposal from The Retrofit Company (TRC) to upgrade the districts lighting fixtures to LED and provide color tuning in select special education rooms. Jackie has connected with BakerTilly to provide updated financial runs, which are included in the board packet. Rates indicated are current rates plus 60 basis points (0.60%) to account for anticipated market changes between now and the projected sale date.

Kevin has been in contact with Jake at TRC. We anticipate the timing of the project to start shortly after the bond sale and continue through next school year, as the building schedule permits.

Recommendation

I move to approve the LED lighting and color tuning project as presented. I direct administrative staff to secure a contract with The Retrofit Company and pursue financing in the form of an LTFM and Capital Facilities Bonds.
