

### **Board Member School Assignments**

#### **Policy Issue/Situation**

Board Members serve as the focal point for community questions for an assigned set of schools. With new schools under construction, the Board must consider these school assignments. In addition, the School Board is interested in assigning the two charter schools- Arco Iris Spanish Immersion and Hope Chinese and some previously unassigned option programs.

#### **Background Information**

Per policies BBB and BBBA, Board Members are elected at-large and must satisfy the required residency requirements. Zones must be divided so as to be nearly equal in population according to the most recent census. At the September 26 Board Meeting, Board Members discussed possible realignment of their zones. Board Zones were last redistributed in 2001. The Board agreed to wait to change the Board Zones until after the 2020 Census. They did want to assign new schools, charter schools and some option programs to Board Members.

#### **RECOMMENDATION**

It is recommended that the Board discuss the draft school assignments.

**District Goal:** WE empower all students to achieve post-high school success.
