# DYNAMICS OF GROUP DECISION MAKING

# CHARGE EXAMPLE

The Denton ISD Citizens' Advisory Committee 2023 recommendation will:

- Consider the needs of all district's students,
- Represent the priorities, expectations, and values of the entire community,
- Use facts and data to make informed decisions,
- Strive for equity of facilities, defined as not being the same, but rather as supporting common educational goals of the district, including safety and security,
- Understand the district's finances to develop short and long term goals that are fiscally sound.
