AGENDA ITEM: Revision to BBF (LOCAL) Board Members - Ethics

PRESENTER: Susan K. Bohn, Superintendent

BACKGROUND INFORMATION:

At the Regular Board meeting on June 18, 2018, a subcommittee was formed to review and update the existing Board of Trustees Operating Procedures (BOP) Manual. The BOP subcommittee has been presenting updates to the full Board since June 2018. At the Regular Board meeting on April 15, 2019, the BOP subcommittee presented the revised manual to the full Board on first reading. This Regular Board meeting agenda contains an agenda item for the approval of the BOP Manual.

The BOP subcommittee suggests the attached revisions to Board Policy BBF (Local)—Board Member Ethics be considered by the Board. The revisions include moving the ethical standards related to student-centered focus at the beginning of the policy rather than at the end, and adding that Board members will have a high level of understanding of teaching and learning goals in the District.
