- Morrow County School District Website: [Morrow County School District Facilities](#)

3. Testing Certification

Morrow County School District was scheduled to test 1/3 of its facilities for lead in water in the 2025 fiscal year. That testing has been rescheduled to 2026 when the district will test all facilities Morrow County School District certifies that it is in compliance with all other plan components, including any and all other testing required by any part of the plan.

4. Testing Results

Morrow County School District was scheduled to test 1/3 of its facilities for lead in water in the 2025 fiscal year. That testing has been rescheduled to 2026 when the district will test all facilities. Morrow County School District is current with all other required testing as of the date of this document. Test results can be found on the Morrow County School District website at [Morrow County School District Facilities](#). Morrow County School District will also use current district email lists or communications programs to provide final test results to staff, students, parents of minor students, and other members of their community. This includes providing actual final test results or providing direct access to final test results through links in the communications. Please contact Brandi Sweeney to be added to current district email lists and programs. Specific test results can be found as follows:

- Lead in Water: [Morrow County School District Facilities](#)
- Radon: [Morrow County School District Facilities](#)

5. Website Link Maintenance

Morrow County School District certifies that all website links for plan information and test results are current and functional.

6. Major Exposure Reduction Activities

Morrow County School District did not complete any major exposure reduction activities in the 2023-2024 school year. Past major activities that resulted in reduced risk of exposure to hazardous materials may be provided upon request.

7. Radon Testing Summary

Morrow County School District has completed radon testing in all buildings in October 2016 and results can be found on our website: [Morrow County School District Facilities](#)

I certify that the above information is true and accurate to the best of my knowledge.
