STRATEGIC GOAL(S): 1,2,3 and 4

FISCAL NOTE: None

PREPARED/PRESENTED BY: Tellauance L. Graham, Chief of Staff

Background Information

Texas Association of School Boards (TASB) Policy Update 126 includes required and recommended revisions to several local policies to ensure alignment with recent legislative changes, state rules, and district operational practices. Adoption of these updates will bring Duncanville ISD into full policy alignment for the 2025–2026 school year.

Policy Update 126 reflects changes prompted by the 89th Legislative Session and subsequent regulatory guidance from TEA. These updates address areas related to board operations, instructional materials, facility safety, employee conduct, student welfare, technology, and due-process procedures.

District staff completed a full review of all policies contained in Update 126 and verified alignment with current district procedures, administrative regulations, and legal requirements.

Recommendation

Administration recommends that the Board of Trustees adopt the local policy revisions included in TASB Policy Update 126 as presented.

Communication Deployment

- Issue a districtwide communication to all staff summarizing the approved changes.
- Update affected administrative regulations and procedures.
- Post updated policies to the district policy webpage.
