OCTOBER

Reminder : This school year students only attend Monday – Thursday, 7:20-2:25.

*As fall approaches and weather becomes colder, please make sure your child wears a jacket or sweatshirt for those chilly morning recesses. As the day warms and students take off their jackets, they are often forgotten on the playground. Please make sure the student's name is on their clothing.*

Hello Manzanita Families,

Thank you for all of your support during the start of this crazy school year. It is exciting to be working with our students and families again, the abrupt ending last March was difficult for everyone. We miss the daily interactions with our Manzanita community. Currently our K-3 learners are onsite with 4th and 5th grade students learning with their teacher in comprehensive distance learning. This year brought many changes with technology challenges for the distance learning and virtual classroom setting, a campus closed to visitors, social distancing and wearing of a face mask. Your students have been amazing embracing the new normal at school. Thank you for the positive approach that helps influence their attitude. Also a huge shout out to the Manzanita staff who are working very hard to make the best of the new learning requirements. This isn't what any of us asked for, yet it is where we are, working together we will build success for an amazing school year. We are in this together, even if we are 6 paws apart!

All of the [Ready School, Safe Learner](#) guidelines are posted on the district website if you want more information about the return to school requirements and protocols.

Please contact me, my amazing office staff or your fabulous classroom teacher if you have any questions or are in need of any support. We are always here to help.  
Stay Safe!
