WITNESSETH: The parties agree as follows:

1. During the 2023-2024 school years, the University will send to the District students for student teaching/internship experience.
2. The District will accept qualified student teachers/interns without regard to race, creed, color, sex, religion, age, marital status, unfavorable discharge from the military or status as a disabled veteran or a veteran of the Vietnam era, physical or mental handicap unrelated to ability, or national origin and will provide for the participation of its staff members in the supervision of such student teachers/interns in their student teaching/internship under the conditions provided in the Student Teaching/Internship Handbook of the University.
3. In consideration for such services the University agrees to pay the District by tuition waiver per student per term. This will be paid in the following manner:

One four credit hour tuition waiver to be given to each individual cooperating teacher and one four credit hour tuition waiver to be given to each individual school principal. The waiver must be used within one year.
4. It is agreed and understood that all student teachers/interns accepted by the District from University under and pursuant to this agreement shall be considered as agents of the District and shall not constitute agents of the University. Further, it is understood and agreed that the cooperating teacher/principal mentor remains an employee of the District and shall not be deemed an employee of the University for any purpose.
5. By acceptance of this agreement the District agrees to or certifies the following:
 - a. The District certifies it is not barred from bidding with a unit of state or local government due to unlawful bid-rigging or bid-rotating as prohibited by Section 33E-3 or 33E-4 of the Criminal Code of 1961.

Failure to maintain such books, records, and supporting documents shall establish a presumption in favor of the State of Illinois for the recovery of any funds paid by the State under the Agreement for which adequate books, records, and supporting documentation are not available to support their purported disbursement.
- e. The District agrees to comply with an act to prohibit discrimination and intimidation on account of race, creed, color, sex, religion, physical or mental handicap unrelated to ability, or national origin in employment [775 ILCS 10/1 et seq.].
- f. The District agrees that, if it receives funds which are wholly or partially allotted to the State of Illinois from Federal financial assistance, it shall comply with Section 504 of the Rehabilitation Act of 1973 [29 U.S.C. 794].
