Dear Superintendent Enerson:

Plans are underway for BoniFest 2026 and we hope it will again be an event to bring the entire community together! The dates of this year's festival are Saturday, August 8 and Sunday, August 9. This year's festival committee is working hard to make this festival another one to remember. In order to do that, we again need your help.

We would like to use the school grounds as part of the festival for both the fireworks that are a highlight of the festival, as well as games for all of the kids 3-18. We are contracting with a game's provider, who will set up inflatables on the festival grounds as well as on school property with your permission. This provider is insured, as is Saint Boniface, and we will provide proof of insurance for both parties. We are asking your permission to allow cars to park on the school grounds. Cars would enter via 1st Street North, as well as via the nursing home street. We also request permission to use the high school parking lot for parade staging (Sunday, August 9).

We appreciate your consideration, as well as the district's cooperation in the past to help us make BoniFest a complete success! If you have any questions or concerns about our request, please feel free to contact any of the festival committee members. Thank you in advance for your consideration of this matter.

Sincerely,
