

TSSA Plan – Altamont High School

2023-24 Teacher and Student Success Plan

Goal: Increase student proficiency in mathematics in Secondary I and II by 5%

Action Plan: Hire a mathematics teacher. Provide teacher with the fundamental teaching standards for these levels of math. Teacher will use learning structures for implementing the standards of these courses.

Measurement: DCSD District Benchmarks, Aspire+ Benchmarks, and formative assessments.

Funding: Up to 40% of allotted funds will be used towards teacher salary.

Remaining funds will be used towards:

- Personnel stipends
- Professional development
