Activities/Celebrations:

- After school art program on 12/16 - thank you to Renee Gamber and other parent volunteers!
- Monthly Kaleidoscope Art for 3 - 6 graders - thank you to Patsy Charlton for her hard work!
- Parent/Teacher Conferences - we had 100% parent attendance
- Knights of Columbus - donated tons of jackets, and we set up a "store" during parent/teacher conferences so parents could "shop."
- The Elks dropped off dictionaries for each of our third graders
- Our 5th & 6th graders received Sources of Strength Training on 12/9; the feedback I received from students was very positive. The trainer incorporated games where students had to work together and problem solve
- Our Christmas program is on December 17, 2024 - thank you to Mr. Nolting for his hard work; he didn't have much time to prepare since he came on board in late November!

Curriculum/Instruction

- Teachers are still navigating their way through Open Court
- Using ImagineMath
- Using IXL (supports Open Court) and allows teachers to create assessments
- We're working hard on interventions, but we're also short staffed on the Title side, so it's been tough

IDH Focus/Ongoing Work:

- Professional Learning Communities (PLCs) - Teachers meet every Monday
 - Primary Focus around 4 questions:
 - What do we want all students to know and be able to do?
 - How will we know if they learn it?
 - How will we respond when some students do not learn?
 - How will we extend the learning for students who are already proficient?
- Multi-Tiered Systems of Support (MTSS) - Weekly on Wednesdays with a different grade level. Focus on struggling learners, interventions, collection of data to see how intervention(s) are working

Important Upcoming Dates:

January 24 - End of Quarter 2

January 31 - Teacher work day
