NOW, THEREFORE, BE IT RESOLVED, by the School Board of Independent School District No. 877 as follows:

Section 1: The Superintendent is hereby directed to implement the following base Learning Model(s) to open the 2020-2021 school year:

In-Person Learning Model for elementary students in grades Pre-K-5

Hybrid Learning Model for secondary students in grades 6-12

Section 2: The Superintendent is hereby authorized, after consultation with the School Board Chair and notification to the School Board, to select and implement a different Learning Model for the School District or any specific school buildings without School Board action if the Superintendent reasonably believes that prompt implementation of a different Learning Model is necessary, and that constraints of time and public health considerations render it impractical to hold a School Board meeting to approve the implementation. The Learning Model selected and implemented by the Superintendent shall continue in effect unless and until the School Board, in consultation with the Superintendent and appropriate school district staff and public health officials, deems it in the best interest of the School District and its students to implement a different Learning Model.

Section 3: The Superintendent will provide regular updates to the School Board regarding the School District's efforts to implement COVID-19 related educational and public health guidance issued by the MDE and the MDH, respectively.
