March 2025

CBMS Winter MAP scores were cause for much celebration this year, with some of the highest growth our building has ever seen. Congratulations to students and staff! With the exception of 7th-grade language arts, CBMS students met, and in a few cases exceeded, growth projections in all areas! Thank you to our students, families, and staff for all their hard work and focus on academic learning.

Grade Level	Fall Achievement Percentile	Winter Achievement Percentile	Students who met growth goal (Goal=50%)
Mathematics			
6th	5	9	67%
7th	16	19	58%
8th	16	16	50%
Reading			
6th	3	8	63%
7th	19	16	37%
8th	23	34	70%
Language Usage			
6th	5	6	51%
7th	15	13	48%
8th	26	32	51%

We celebrate MAPs success in many different ways. For individual students meeting their growth goal, they get to select a candy of their choice; for students who exceed their goal, they get candy and an entry into a drawing for prizes. The cohort from each grade level with the highest overall growth gets to pie their teacher in the face. And each grade level who meets their 50% growth goal in all 3 tested areas earns a trip to the bowling alley for their entire grade level. Both 6th and 8th grades earned the bowling trip and were whisked away from school to enjoy 2 hours of unlimited bowling.

Love was in the air throughout the month of February. Although an unexpected snow day made us shift our calendar around a bit, we were able to show our love for our Lady Vikings basketball team and coaching staff during our Heart-day Hoops Assembly. We also held our first dance of the school year the following week. Thank you to Mr. Collins and our CBMS leadership students for decorating the gym and foyer areas and making it a fun event for all.
