

**Curriculum Director Report
October 17,2022**

Illinois Report Card

The Illinois Report Card will be released around noon on October 27, 2022. We are going through some of the data, and checking for accuracy. I will present the report at the November board meeting. The data is under a public embargo until the 27th. We have a lot to celebrate, and we have some things that we need to improve on.

Curriculum Mapping Program

Teachers are in the process of entering their information for our Curriculum Mapping program. This will be a useful tool, as we analyze our curriculum.

November SIP Day

The ROE will be coming back on November 16, to check in on our progress in our Math Differentiation. This will give our staff a change to ask questions, and get additional help. I am

CKH Tracktion Visit

Shawna from Capturing Kids Hearts will be visiting us on November 17th, and 18th. She will spend a half day in each building visiting classrooms and meeting with each building's team. It is a great opportunity to check in our progress and plan the next steps.
