

Athletic Brief 1/7/13

Basketball teams continue to do well and poise themselves for a playoff run. I continue to evaluate and manage the coaching staff. There have been some issues I did not foresee but have been addressed in our monthly coaches meeting. My hope is the issues will be corrected and no further action needed. Spring schedules are looking good. Softball numbers are up by sign-up done before break. This will allow for two whole teams. Looking at the official numbers all our sports participation in every sport are up so far. We still don't have a count of thoughts looking to participate in all our spring sports, but I feel they will be along the same lines as we have in every other sport. We continue to develop our new coaches in hopes they will become the solid foundation for us to use to set our student/athlete on the right path. We continue to change and form our program to fit our athletes and their needs. Thank you for your support of our students.

Sincerely,
