5. Professional Development September / October

COSSA staff enjoyed an excellent Pot Luck on September 16th with the theme of 'Spanish Heritage.' This is part of the larger effort to rejuvenate and improve the workplace culture. It was well attended, the food was excellent and helped bring our team closer together. In our weekly administrative meeting, we recognized the need to bring the tables together to encourage the departments to 'mix' and step out of their comfort zones.

The October professional development emphasized teamwork and collaboration through our Professional Learning Communities. We had break-out sessions with five teams each one focusing on a COSSA core value. We met back together to share action items that could be immediately implemented. This was a fun and productive PD day. Part of this initiative is compiling a professional library after the books have been read by the PLCs.

6. Student council is up and running and planning a spirit week at the end of October. After school clubs are forming with Dungeon and Dragons being the most popular. Photography and Art are the next clubs on the radar. Academic Success has not been well attended, but we are here to offer students the opportunity for tutoring and completing work.
7. The Teen & Risky Behavior Symposium was a success with 9 guest speakers. The theme revolved around student racing resulting in a car crash.
8. COSSA Academy and CTE Upcoming Events
- Quarter 2 begins October 17th, 2022
 - Notus Career Fair participation October 18th, 2022
 - Parent-Teacher conferences November 10th, 2022
